

About Us

Our Vision

Women of the Hunter will have the best possible physical, emotional and psychological health and wellbeing

Our Mission

To achieve our vision we will:

- provide client centred, strengths based, trauma informed services for women
- ensure a timely and appropriate referral service for women and their families
- provide education and social support for women
- embrace health based, holistic and alternative therapies as options to achieve positive outcomes for women

Priority Target Groups

All women are welcome at Hunter Women's Centre. Our priority target groups are:

- women experiencing, or at risk of family or domestic violence and abuse
- disadvantaged and marginalised women including CALD and Indigenous women
- socially and geographically isolated women

Hunter Women's Centre is a project of
